Article: Rothschilds, And The Geoengineering Empire

Rothschild owned defense contractor Raytheon does all “forecast” modeling for the National Weather Service and NOAA. Lockheed Martin does the modeling for the FAA. Since both of these private defense contractors are up to their necks in weather modification patents and programs, the “forecasts” are more or less the “scheduled” weather.

E.L. Rothschild LLC, a private investment company led by Chairman Sir Evelyn de Rothschild and CEO Lynn Forester de Rothschild owns a 70% interest in Weather Central, LP, the world’s leading provider of interactive weather graphics and data services for television, web, and mobile.

Steps To Physical Detoxification And Cellular Regeneration

Test to Evaluate Health Status:

Test for deficiencies - QXCI SCIO or Indigo (www.judyharms.com), Gage Tarrant at www.mindnrg.org, hair analysis (arltma.com), fecal analysis, medical tests as needed, etc.

Test for heavy metals and other toxins - hair analysis, fecal analysis, QXCI SCIO (judyharms.com), medical tests as needed, etc.

Chemtrail toxins and GMO microbes often will not be identified with medical tests, QXCI SCIO/Indigo and other tests that detect biowarfare agents can detect them.

Internal Cleansing:

Intestinal cleansing

Kidney/bladder cleansing

Liver/gall bladder cleansing

Cleansing through skin pores (thyroid)

Detoxify/heal endocrine glands- especially thyroid, parathyroid, adrenals, pancreas

Parasite pathogen cleansing- eliminate sugars of all kinds, even fruit for a while

Heavy metal/radiation detoxification

Massive hydration through it all, structured living alkaline water and juices

External Cleansing:

Nutrify/Alkalize While Detoxing:

80 to 100% organic nutrient-dense raw/living vegan diet high in chlorophyll, low in sugars and starches

No animal products

Proper food combining- don't mix fast digesting with slow

Vegetable juices high in chlorophyll, low in sugar and starches

Superfood/Detox tonics daily

Orgonite Resources

Please don't contact Ken Rohla with questions on orgonite construction, etc. he doesn't have time to answer the MANY questions he gets every day. He will have a DVD out in coming months demonstrating his techniques for making orgonite.

Keys to Construction

- With metal particles, the smaller the better. Ideally use metal powders rather than filings, shavings, etc.
- Metals to use: copper, brass, steel, iron, iron oxide, etc., NOT Aluminum. Aluminum blocks scalar waves.
- Macro/powdered crystals to use: shungite, quartz, amethyst, selenite (good for sleep), kyanite. Experiment with others.
- Don't use too many crystals/minerals, they are oscillators and too many frequencies will muddy results.

Rock Powders to Use

Shungite, magnetite, any volcanic mineral: basalt, granite, azomite, Jersey Green Sand (glaucinite), etc. See the book *The Enlivened Rock Powders* by Harvey Lisle for info and sources.

Sources: nurseries/garden centers, contact rock powder manufacturers for retailers near you, or buy online.

Resins

Fiberglass is cheapest, easiest to work with, but VERY toxic. Must use a respirator with it, outdoors. (Respirators available at big box home centers & hardware stores in the paint department (Home Depot, Lowe's, Ace Hardware, etc.) Offgasses if not cured properly, so must use plenty of hardener, but not too much or it will harden too fast and crack.

Epoxyes are too sticky and will stick to molds and ruin them, even with mold release compounds.

Nontoxic plant-based resins are very difficult to work with since they require very exact temperatures and controlled conditions requiring specialized techniques and equipment. Easiest to use: EcoPoxy (www.ecopoxyusa.com).

Molds

Shapes to use: cones or pyramids, they are scalar wave antennae.

Metal soap and candle molds are easy to use, tough, and last long. Silicone and teflon coated bakeware also good.

Source for metal pyramid molds: eBay

Tips

Most info online about orgonite construction is mediocre at best. See info from orgonite inventor, Karl Hans Welz, at www.welz.us. Note, "orgonite" is a trademarked name by Karl Hans Welz.
